With CHA, choosing a PCP is simple

When you join CHA, just pick a PCP for you and your children from this directory. Each eligible family member can pick his or her own PCP. Your PCP will give you all the basic healthcare services you need.

To view the most up-to-date list of CHA plan providers, go to our member website. Then, click on **Find a Doctor**. For help or information about your benefits, please call Member Services or visit our website.

Get specialty care when you need it.

Your PCP will send you to other doctors or hospitals when you need special healthcare. This is called a referral. You can get specialty services, like chiropractic care, podiatry (foot care), or gynecology (OB-GYN), without a referral from your PCP.

Please review your member handbook, ask your case manager, or call Member Services for more information about how to get specialty care.

How you can help your children stay healthy

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. These visits help providers find health problems early, when it's easiest to take care of them.

During a wellness visit, your child will get things like:

- Height/weight checks.
- Vision screenings.
- Hearing screenings.
- Laboratory tests.
- Tests for TB, lead, and other health problems.
- Vaccines.

If you need help finding a PCP for your child, please visit our website or call Member Services.

Getting pharmacy services

You and your CHA family members may go to any pharmacy in the CHA network to have your prescriptions filled. Be sure to take your CHA member ID card with you when you get your prescriptions.

If you need help finding a pharmacy in our network near you, please visit the member website for a complete list or call Member Services.

How to get behavioral health services (mental health and substance abuse treatment)

You can call CHA for help with mental healthcare and alcohol or substance abuse treatment. Call CHA Member Services at **844-406-2398** (TTY **711**) or call **(844) 280-9633** to get the name of a doctor, therapist, or counselor who will see you.

We're just a click or phone call away.

Patient centered medical homes/Hogares médicos centrados en el paciente

A patient centered medical home (PCMH) is healthcare that's all about you. It's between you and your provider. Your provider leads a team of healthcare professionals in a medical office to help improve your total health and reach your health goals. Your PCMH team will have a provider you pick. With a PCMH, you can:

- See your PCMH team every time you need care.
- Get answers to your healthcare questions.
- Set short- and long-term health goals.
- Make the best choices for your healthcare.
- Have more scheduling options.
- Get quality healthcare and meet your mental health needs.

The providers in this chapter have been recognized as PCMHs by national accrediting groups. These providers are PCMHs because of what they offer to our members. The groups that recognized these providers as PCMHs are:

- The National Committee for Quality Assurance.
- Utilization Review Accreditation Commission.
- Accreditation Association for Ambulatory Health Care.
- The Joint Commission.

To pick a recognized PCMH, look at this chapter. Recognized PCMHs have a team of healthcare professionals working together for your healthcare needs.

El hogar médico centrado en el paciente (PCMH) es cuidado de la salud que es todo con respecto a usted. Es entre usted y su proveedor. Su proveedor lidera un equipo de expertos de cuidado de la salud en un consultorio médico para ayudar a mejorar su salud total y alcanzar sus metas de salud. Su equipo de PCMH tendrá un proveedor de su elección. Con un PCMH, usted puede:

- Ver a su equipo de PCMH cada vez que necesite cuidado
- Obtener respuestas a sus preguntas sobre cuidado de la salud
- Establecer metas de salud a corto y largo plazo
- Tomar las mejores decisiones para su cuidado de la salud
- Tener más opciones de programación
- Obtener cuidado de la salud de calidad y satisfacer sus necesidades de salud mental

Los proveedores en este capítulo han sido reconocidos como PCMH por grupos nacionales de acreditación. Estos proveedores fueron reconocidos debido a su estructura y enfoque en llevar cuidado de calidad a nuestros afiliados. Los grupos que dieron reconocimiento a estos proveedores como PCMH son:

- The National Committee for Quality Assurance.
- Utilization Review Accreditation Commission.
- Accreditation Association for Ambulatory Health Care.
- The Joint Commission

Los PCMH reconocidos tienen un equipo de profesionales de cuidado de la salud que trabajan en conjunto para sus necesidades de cuidado de la salud. Para escoger un PCMH reconocido, vea este.

Essential Providers/Los proveedores esenciales

Essential Providers are statewide resources that Medicaid SMMC Plans must include in our network, even if the provider is outside of the region served by the Plan. These include various hospitals and physicians, such as Florida medical school faculty physician groups, Regional perinatal intensive care centers (RPICC), and Specialty children's hospitals.

Los proveedores esenciales son recursos a nivel estatal que los planes de Atención Administrada de Medicaid del Estado (SMMC) deben incluir en nuestra red, incluso si el proveedor se encuentra fuera de la región en la que presta servicios el plan. Estos incluyen distintos hospitales y médicos, como grupos médicos del cuerpo docente de la escuela de medicina de Florida, centros regionales de cuidados intensivos perinatales (RPICC) y hospitales infantiles especializados.
