You are invited: on-demand training at your convenience

Nonemergency dental services payment transition

On October 1, 2025, payment responsibility for nonemergency dental outpatient services performed in ambulatory surgical centers (ASC) and hospital outpatient settings transitioned from Florida Medicaid dental plans to Medicaid health plans. Our on-demand training covers the changes that are part of the ongoing efforts of the Agency for Health Care Administration (AHCA) to streamline billing for care providers and minimize administrative complexity.
