## Connections App webinar: a free solution to support members with substance use disorder

You're invited to join an upcoming webinar on CHES Health's Connections App!

This webinar is hosted by CHES Health in partnership with Simply Healthcare Plans, Inc. (Simply) and Clear Health Alliance (CHA).

CHES Health is offering three training opportunities for providers to learn more about the Connections App. **Connections App webinar: a free solution to support members with substance use disorder** covers how you can provide the Connections App (created by CHES Health) at no cost to you or your Simply and CHA members.

The Connections App is an evidence-based smartphone app that helps individuals adhere to their treatment plan and stay in recovery. The goal is to ensure individuals with substance use disorder have access to the support they need, wherever and whenever they need it – including between their appointments with you.
