Buprenorphine use in obstetrical practice CEU/CME opportunity

Take advantage of these opportunities as they support efforts for reducing rates of neonatal abstinence syndrome (NAS) and improving birth outcomes for members.

Training date and time

Date: January 18, 2022

Time: 4:30 p.m. ET

The Florida Perinatal Quality Collaborative is offering **two free** continuing medical education (CME) trainings on **buprenorphine use in obstetrical practice**. The first module describes the basics of buprenorphine treatment during pregnancy, and the second module details how to implement prescribing for buprenorphine in your obstetrical practice. Additionally, a training webinar entitled ***Adding Buprenorphine Treatment in Obstetrical Practice: Lessons Learned*** will be held on Tuesday, January 18th at 4:30 p.m. ET, and can also help answer additional questions or concerns.
