Important notice: licensed midwives billing

This communication applies to the Medicaid programs for Simply Healthcare Plans, Inc. (Simply) and Clear Health Alliance (CHA).

In compliance with our Statewide Medicaid Managed Care contract with the Agency for Healthcare Administration (AHCA), Simply and CHA incorporate and maintain the most current National Correct Coding Initiative (NCCI) editing programs in our claims payment system for the HCPCS/CPT® codes. This promotes correct coding and controls coding errors.

This notice is being provided to remind Simply and CHA contracted midwives of the most current HCPC/CPT® coding requirements for billing midwife services. When billing for midwife services rendered to a Simply or CHA member, the below HCPC/CPT coding rules must be followed.
